The Georgia Games Countdown to the July Championships

Kennesaw, Georgia--- Only 30 days remain until the 2007 Georgia Games Championships kickoff. The event, which includes 40 sporting events, will be held at various venues throughout the Atlanta area July 12-22.

Modeled after the summer Olympics, the Georgia Games give athletes of all ages and skill levels the opportunity to compete in a true amateur sport competition.

Established in 1989, the Georgia State Games Commission hosted their first amateur championships in the summer of 1990. The first Georgia Games Championships featured 18 sporting events and 3,100 athletes. Since then, 22 new programs and events have been added, making the Georgia Games Championship Festival one of the largest Olympic-style amateur sporting events in the country.

The Georgia Games would not be complete without dedicated athletes, volunteers and sponsors. For more information about competing, volunteering, or becoming a sponsor, contact the Georgia Games at 770-528-3580 or visit our website at www.georgiagames.org.

Major sponsors for the Georgia Games are Kennesaw State University, the Marietta Daily Journal, Cotton Graphics, and Georgia Recreation and Park Association.

The Georgia Games are modeled in the spirit of the Olympics, and provide Georgia's amateur athletes of all ages and skill levels the opportunity to compete in this open invitation, grassroots-style, state sports festival.
